Since last reporting in the april issue, our club has begun an internal ladder competition, played 4 friendly matches, and arranged for critains youngest International master to play 40 opponents in a simultaneous Chess Performance in October.

First the ladder competition which ends in October. This is at present needed by your truly (only just), with David Tulip, David Christopher and Jim Dixon in hot pursuit.

Our Friendly sames resulted as follows:-

Ŋ.

versus queen mlizabeth (M.S. - Nway - Non - 5--I

"Killingworth. - None - Lost - I--5

"Killingworth. - Nway - Lost - 4--I

"Warden. - Nway - Lost - 4--2

The last three games results are due to a combination of higher graded opposition, poor form, and complacency, but all credit to the other teams for at the end of the day it is the result that counts. However, we are in no way deterred for we are confident in our abilities, and by the time we join the Northumberland Chess League in September, we will have sharpenened our games considerably.

Master David Morwood, will be held at the Langley Castle Motel on Sunday October 5th 1986 at I.P.M. Anyone wishing to play in the event, please contact Mike Christopher on Haydon Bridge 750. Charge per board is \$2.00. Spectators will also be very welcome and a fee of CI. will be payable on entrance.

I would like to explain the uniqueness of the event for

(a) Lever has such an occasion been held in this area and so far west of Newcastle.

(b) hr. Morwood will be playing a record number of opponents. 40.

(c) Flayers are being drawn from all over the country.

(d) The venue is ideal, and the mocation perfect, and this event is something new to Langley Castle. The are extremely grateful to the management of Langley Castle for providing their Function Room as a gesture of goodwill, and also to Robinson & Cowell of Mexham for sponsoring the event.

sesides the occasion being reported in local and mational newspapers, Radio (ewcastle has promised to do an interview on the day and it is hoped both the B.B.C. and Tyne Fees T.V. will be present.

#### ST. HOHN'S R.C. CHURCH, NORTH BANK, HAYDON BRIDGE.

The CHURCH GARDEN FETE held on June 29th made a profit of £2,100.

Fr.Power and Parishioners thank all friends in Haydon Bridge who contributed so generously towards their Fete, and the large number of people from the village who attended and supported it. Apart from the very large sum of money raised for Church purposes, it was a great social occasion for us all. Many thanks indeed.

# A CHURCH MISSION.

A Parish Mission is to take place at St. John's Church, Haydon Bridge and St. Wilfred's, Haltwhistle from Sunday, 21st September until Sunday, 28th September.

A Mission is a time when God calls us to take stock of ourselves and to see what sort of people we have become, as the years go by. Perhaps, we have drifted away from one another and from the Church. That can easily happen in this life. During a Mission God welcomes us baback to His grace, love and peace.

A Mission is for everyone of us. If you are a practising christian it is an opportunity for renewal. If you have lapsed it is an opportunity for reconciliation with Christ. If you are a member of another church, it is an opportunity to hear Christ's message in a fresh way. If you are searching for answers to the meaning and purpose of life, it is an opportunity to find them in Christ's Teachings. If you are apathetic to 'religion', or troubled in any way, or nurt with today's society, it is an opportunity to hear Christ's message for you.

A Mission is above all a time of promise and hope. Make it also a time of special effort, of special open-ness to God's word and His grace, as it comes to us through the Ministry of the Mission Preachers. Our Mission is to be conducted by Fr. Mark White and Sister Catherine, from the Monastery at Minsteracres. If you are generous with Jesus by attending the Mission Services He will be generous with you.

The morning Services will include the celebration of the Holy Eudharist with a Meditation at IO.00a.m. The evening Services will begin at 7.30p.m. during the week, with a Liturgy lasting about an hour and a Mission Sermon.

Pour out your spirit upon the people in our villages, and on all God's people. Grant us a new vision of your glory, a new experience of your power, a new faithfulness to your word, a new consecration to your service, that your love may grow among us.

God bless you all.
